Please make your check or money order payable to Mamaroneck Artists Guild. Alternatively, you can complete the paperwork when you drop off your art.
2. You may submit in a maximum of 2 media categories (eg. oil & watermedia).
3. **Photographers** should submit a total of 6 photographs. 5 should be matted and wrapped in plastic sleeves, and 1 should be matted, framed and ready to hang. **All** matted work must be in **white or off white** mats.
4. **Sculptures** must be presented on appropriate bases.
5. **Jewelers** are required to submit a short description of their method and materials.
6. **All other applicants** should submit 3 original works, executed within the last 3 years, for each media category in which you are applying. If you are submitting in 2 media (eg oil and watermedia) you need to bring 3 original oils and 3 original watermedia pieces. All **2-dimensional wall-hung works** should be professionally presented and **wired** for hanging. **Oils or acrylics** that are unframed must have no staples showing around the edges. Current MAG members **only**, may apply in the **Limited Edition Giclée** category, by submitting 3 limited edition giclées, signed and numbered by the artist, wired and ready to hang, along with a statement from your printer (or a statement signed by yourself if you are the printer) indicating that your materials and inks are archival.
7. **Please note that we are looking for a consistent style among the pieces you submit, not for diversity.** Other criteria the jurors use when judging work are:
  - a. Overall creativity, artistic impression and originality of vision,
  - b. Excellence of Technique: mastery of methods and materials,
  - c. Good composition,
  - d. Professional presentation of work: frames, mats etc.
